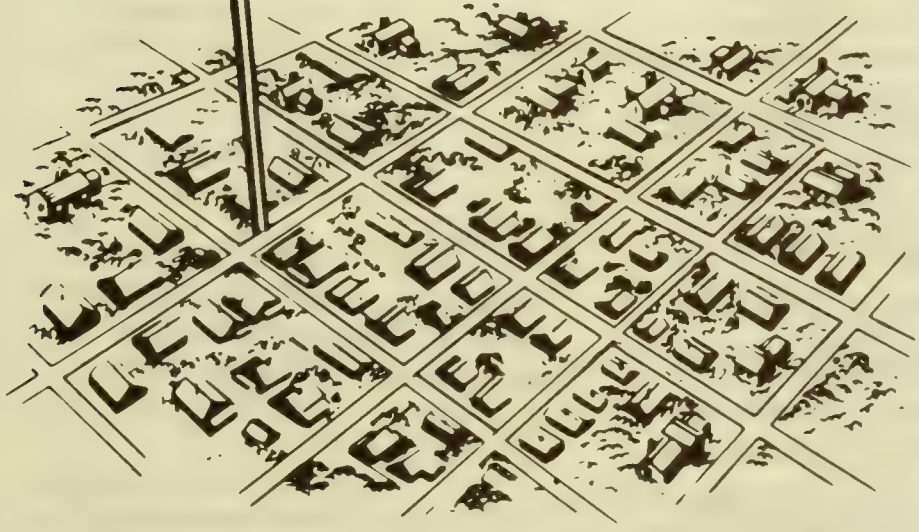
Out of Sight--Out of Mind

☆ Out of Business ☆



The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages.

STREET DIRECTORY of HOUSEHOLDERS and BUSINESSES

The Street Directory information is secured by an actual door to door canvass and includes these important features:

- Street Name and Address
- Occupants
- Home Owners
- Telephone Numbers
- New Householder This Edition
- Apartment Residents
- Office Building Occupants
- Types of Business or Profession
- Street Descriptions
- Zip Codes
- Street Intersections

Addresses showing No Return indicate that after repeated efforts the publisher was unable to obtain information.
